***Terminal Disclaimer***

The terminal disclaimer filed on 05/19/2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US 6,835,785 and US 6,794,481 has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Reasons for Allowance***

Applicant has provided evidence to show that the instant application and cited references US 6,835,785 and 6,794,481 were commonly owned by Mitsubishi Gas Chemical Company at the time of the invention and at present. In response the rejections under 103(a) using prior art available under 35 USC 102(e) are hereby withdrawn.

See the Remarks filed by applicant on 05/19/2005 for a more detailed discussion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
